7:05 p.m. Roll Call

Rachael Siani

7:10 p.m. Presentation - Learning loss due to extended virtual learning and mitigation of the same

Ebony Langford-Brown, Executive Director, School Improvement and Curriculum Programs
Lisa Davis, Director, Program Innovation and Student Well-Being

Question re graduation credits: there are requirements for all students to graduate, they are dictated by the state. We can't waive the credits

Question re Midterms: we can assess students in other ways

Question re additional supports can we keep them? Unfortunately it takes the funding and the funds and grants were mostly 1 time things, but we will keep as much as possible.

Question re Summer school Can a parent request a student go to summer school? There are certain criteria admin and schools have to assess students. If you are concerned about your student, you should discuss with the school admins and see what they suggest.

Question re Programs that can stay with funding: will the evening school option continue as long as quarantine protocol is in place? it depends on what happens with quarantine. As of now, we are not getting rid of evening school, but its not sustainable, but it has been very successful so we want to keep watch on funding.

Question re Evening school: Do all students know about this? yes, its shared from the principal, Q: what about high schoolers? A number of students didn't know about this A: each teacher was able to assess and determine what each student needed

Question re: Evening school: What exactly was supposed to be available when quarantined, do all students k-8 have access to this night school? yes, everyone is supposed to be able to access it

7:55 p.m. Board Report

Jolene Mosley

Policies: 6080, 9400, Cyber bullying, fund balancing

Two important things: Funding ask from the county, and the new high school is almost ready (redistricting), Hammond reno is almost done, Talbott Springs new building is almost done. Redistricting is an important and long process. Jolene goes thru the timeline. End of August will be the Super proposal. This will be mostly high school driven.
